

From the Desk of Dr. Bret P. Hoffer

To the SCNCA Cycling Clubs, Team Directors and Board of Directors of SCNCA

10/18/2023

My name is Dr. Bret P. Hoffer and I am writing to express my candidacy for a position on the Southern California Nevada Cycling Association (SCNCA) Board 2024-2026. With a passion for cycling that spans two decades, a robust background as a successful business owner, and a reputation as a diplomatic and unbiased decision-maker, I am confident in my ability to contribute significantly to the association's growth and development.

Cycling Experience:

Southern California cycling has changed my life and I have many new friends as a result. Over the past 20 years, I dove head first into the cycling community, participating in numerous races and events, both locally and nationally. My experiences have not only honed my skills as a cyclist but has also given me a deep understanding of the challenges faced by our cycling community. Over my period of 12 years in SoCal, I have participated in cycling team development, race event setup and promotion along with volunteering my time to local non profit organizations geared toward the growth of cycling to a diverse community of people of all ages. I am committed to fostering an environment where cyclists of all levels and backgrounds can thrive and feel supported.

Organizational Background:

As a seasoned business owner and chiropractor, I have developed strong organizational and leadership skills that are essential for effective board membership. I understand the importance of fair and impartial collaboration and communication in achieving common goals, and I am dedicated to applying these skills for the betterment of SCNCA, its Clubs and Team as well as the events promoted by these organizations.

Vision for SCNCA:

Southern California area cycling is second to none and if elected to the board, I will be committed to working diligently to promote cycling at all levels, enhance safety measures, and support initiatives that encourage inclusion and diversity within our community. I will actively engage with fellow board members, cyclists, Clubs/Teams to identify opportunities for growth, develop innovative programs, and advocate for the needs of our community on a broader scale.

I am confident that my dedication, experience, and impartial approach to decision-making will make a positive impact on the association and the cycling community as a whole.

Thank you for considering my candidacy.

I kindly ask for your vote during this upcoming election.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bret Hoffer'.
