*Per new USAC Rules, collegiate racers will be placed in their overall placing in the field and scored separately for conference points. Collegiate racers will be scored in the field they race in and get a collegiate ranking on behalf of the Western Collegiate Cycling Conference for prizes and Omnium points. The only exception is for the Collegiate Novice field that will race solely against other collegiate racers due to the high field size of that category in the past.

**Women's cat. 3 racers will be scored and receive prizes separately from the women's cat 1/2 racers.

*** This schedule is subject to change depending on registration, weather, and attendance

USAC Permit #15103
